PROPERTY DESCRIPTION

We are pleased to offer this large area of land for sale on Riverside Road, which is minutes from the town center and allows access directly to the A47. The site itself has two access points, one on Riverside Road and the other on Dock Tavern Lane. The eastern side of the plot runs along the River Yare, meaning it is in a prime location for both business and residential interests. The development of the site has been proposed in the new local plan (Policy URB9) to offer a minimum of 100 dwellings with a mixed use employment area to the north of the site. This is a unique opportunity, so please contact us to register your interest and for any potential purchases.
